ACCIDENTS DO HAPPEN, FORTUNATELY YOU CAN PROTECT YOURSELF AGAINST THE CONSEQUENCES:

If damage to the rental vehicle has occurred in a collision by fault of a third party, liability depends on the insurance of the third party. In case the third party is not insured or cannot be held liable, the renter will be held liable for any damage to the rental car or to their purchased insurance deductible. Back to Basic Bonaire car rental may require coverage until the matter is settled with the third party.

Super CDW (Super Collision Damage Waiver; costs \$ 10 per day extra) This is the same as CDW, only in this case theft of the rental car or other damages to the rental car like vandalism, fire, joy riding, broken windows, fire, flood etc. are also covered. The deductible is \$100.00.

CDW (collision damage waiver)
 The own risk deductible amount of \$575.00 for any and all damages to the rented vehicle resulting from a collision/accident caused by fault of the renter or an unknown third party. The renter is fully liable for any damage to the rented vehicle up to \$575.00 All extra damage on top of the \$575.00 will be paid by Back to Basic Bonaire car rental.
